

Tips and tricks for a **successful PD**

Get some swag! Everyone likes swag. If you haven't done so yet, request some here:
go.edpuzzle.com/swag_request

Get free storage space: When a teacher signs up with your referral code, you'll both get space for 3 more videos! Find your code here: edpuzzle.com/profile?tab=plan

Ask teachers to register ahead of time. Share your referral code and ask teachers to sign up and verify their accounts in advance to get extra play time.

Share the slides in advance. If you know who's going to be attending, share the slides so they can have a preview.

Follow up after the training. Send a thank-you email with the slides attached and encourage teachers to spread the word with their referral link.
