Goal: Teachers will learn how to create an account, find a video, embed questions and assign it to a class

1' Opening: Connect with the audience by sharing common problems or challenges you've experienced. Feel free to get specific!

3' Relevance: Explain what Edpuzzle is and how it helped you solve that challenge. Use the slides that focus on the benefits and when to use Edpuzzle.

5' You play: Go to Edpuzzle and explain how to create an account, how to find a video, embed a question and assign it to a class.

5' They play: If they have devices, they can create their account and a lesson. If they don't have devices, brainstorm with them.

1' Closing: Review the key takeaways: The benefits of Edpuzzle and the steps to follow to get set up.
